

Personal, Social and Emotional Development

We will be learning new routines and class rules, sharing and taking turns through our activities and play. We will think about how to treat our friends by using kind hands, feet and words in school.

Communication and Language

We will listen, enjoy and discuss stories from a range of different books. We will practise writing our names using the correct letter formation as well as letters and simple words. We will use letter shapes when mark making and begin to write some sounds correctly.

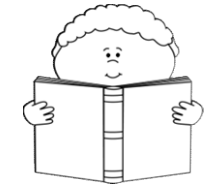

Physical Development

We will be looking at different ways of moving safely in the space. We will also be developing our fine motor skills and pencil control.

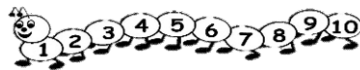

Days to Remember

Monday - Library
Tuesday - PE
Friday - PE
Everyday - Reading books

Mathematical Development

We will recognise, write and order numbers to 5. We will compare numbers, add and subtract numbers using objects and fingers. We will visit the Mathseeds website and meet the characters who will play some number games with us.

Explorer Class Term 1 2022

Literacy

Reading - We will be bringing home a reading book soon. We will talk about the characters and tell the stories. Books will be changed every Tuesdays and Fridays but please bring book bags every day.
Phonics - We will start to recognise letters and know their sounds. We will develop our blending and segmenting to read and write simple words.

Understanding of the World

We will be learning about about our families and growing up. We will talk about how we can be healthy.

Religious Education

'The beginning'

We will be learning the story of the Creation from Genesis.

Expressive Arts and Design

We will explore mark making inside and out using chinks, pens, paint and natural materials.
We will learn some new songs and explore different sounds using our bodies and instruments. We will also enjoy playing with all the resources in our new classroom, including looking after the babies in the home corner.

And ...

If you have any queries or concerns, please do not hesitate to email explorer@stpeterschippenh.am.co.uk or see us after school. We are looking forward to a successful year in school together.

Mrs Wallis & Ms Tingle

Please sign up for Tapestry and feel free to log in to view your child's learning in school. We also love to see what they get up to at home too.
